## Around the Library

Here's what's happened over the last 28 days. More [recent changes](#).

## About the Project

Open Library is an open, editable library catalog, building towards a web page for every book ever published. [More](#)

Just like Wikipedia, you can contribute new information or corrections to the catalog. You can browse by [subjects](#), [authors](#) or [lists](#) members have created. If you love books, why not help build a library?
